

# About RPR SA

At RPR SA, we take pride in safeguarding homes and businesses with our professional waterproofing and roofing services.

For over a decade, we've built a reputation for excellence, backed by a team of over 25 skilled professionals, 5 experienced site managers, and two hands-on directors.

Every project is approached with care, precision, and dedication to outstanding results.

## Why RPR SA?

- Proven Expertise and Experience
- Commitment to Quality
- Guaranteed Workmanship

## Specialized Services

At RPR SA, we tackle problems big and small with a service offering that covers every inch of your roof and property. After all, a well-protected roof means a secure, healthy, and efficient living or working environment.

**1 Waterproofing**  
We specialize in waterproofing various roof types, including flat concrete slabs, tiled roofs, corrugated steel roofs, IBR steel roofs, clay tiled roofs, and more.

**2 Roof Repairs**  
From residential roofs to industrial roofing systems, our team will ensure repairs are done the right way, using quality materials and advanced methods.

**3 Roof Painting**  
At RPR SA, our airless spray painting system ensures a smooth and even surface finish on all metal, tile, or concrete roofs.

**4 Damp Proofing**  
We remove damaged plaster, apply specialized chemical barriers, and re-plaster with damp-proof coatings for a lasting solution.
